ATTENTION : New PUFL Initiative to Begin in January 2014

At the recent Fall meetings both the Internal Affairs and Finance Commissions approved a new marketing plan for the Paid-Up-For-Life membership program. Over the years, the means of doing business in membership has changed by the successful addition of on-line renewals, direct renewals and on-line membership sign-up. It was felt a simpler, less structured process for purchasing Paid-Up-For-Life memberships direct to the National Organization should be added to direct renewals, on-line renewals and the National Organization's website. This process was included in the updated Paid-Up-For-Life Membership resolution approved by the National Executive Committee (NEC Resolution #2, dated October 16-17, 2013).

In January of 2014, the Paid-Up-For-Life Program will expand into the direct marketing and on-line areas with a revised price structure. On or about January 7th, members will be able to complete a Paid-Up-For-Life application on line. There will be two options for payment: either in full or twelve monthly payments by credit card. The member will not be mailed his/her Paid-Up-For-Life membership card until paid in full. While the member is current on the twelve month payment plan, they will be considered a member in good standing.

In this plan, we will primarily offer an automatic discount for the purchase of a Paid-Up-For-Life membership. In addition, packages with other offers will be tested ... including an offer of a merchandise premium instead of a discount.

After a member signs up for this membership, the department and post will be notified immediately either electronically or by mail. If there is some action pending at the post level which would deem the individual ineligible for a Paid-Up-For-Life membership, the post must notify their department in writing with sufficient reason to veto the membership who in turn will send to National. Action must be completed as soon as possible but not later than 30 days from date of notification.

We will advertise this program on the National website, myLegion.org, Online Update, Facebook, Twitter, renewal notices, *Magazine* and *Dispatch*. In addition, certain segments of the membership base will be targeted and mailed direct mail offers.

Posts may continue to process applications on the current paper forms until informed otherwise.

If there are questions on this program, David Elmore, Assistant Director Internal Affairs is the point of contact. Phone is: 317-630-1376 or by email: delmore@legion.org.
